S#:	1.84

Sailboat Organizations

Associations:	6 Meter Class Association (International)
----------------------	---

Additional Notes

Olympic class between 1908-1952 when it was replaced by the International 5.5 Meter.

Dimensions are approximate since this is a development class, originally built to the International rule.

400 are thought to still be in existence with about 300 still in racing condition.
