## Sailboat Organizations

<b>Designers:</b>	David & Jerry Hubbard
<b>Builders:</b>	American Fiberglass Corp.
	Sailcraft Ltd. (UK)

## **Additional Notes**

Originally called the SEA LION 18 and established as a one-design class in the USA. There was a very loosely established 'A' class catamaran rule before this, (no maximum LOA), the more finalized parameters, originally established by the IYRU, were. by in large, based on this design.
